GENEROUS SUPPORT

Science Rediscovered is a \$205-million fundraising effort that will make new engaging education experiences and public engagement programming, bold and transformative exhibits and enhanced guest experiences possible. In addition, this campaign will infuse funds into the Museum's Annual Fund and endowment to help us further realize our vision to inspire and motivate our children to achieve their full potential in the fields of science, technology, medicine and engineering.

The Museum of Science and Industry gratefully acknowledges the generous support of our *Science Rediscovered* donors.

Corporate, Foundation and Government Donors

The following corporate, foundation and government donors have each committed \$1 million or more to *Science Rediscovered*.
